

## **The Terms & Conditions**

Typically, you'll sign a contract before your event.

However, booking implies you've read, understood, and agreed to the terms below. These terms represent the total agreement between us, and any changes must be agreed upon in writing by both parties.

### **Booking & Cancellation:**

The Booking Fee, which is half of the total cost (50%), confirms your date with the photographer and is not refundable if you cancel. If you cancel within four weeks (or 1 month) of the event, you'll need to pay the full amount. Any cancellations must be in writing. If you postpone your event, you can keep the fee as long as the photographer can reschedule for the new date/time. The fee for postponed event is subject to change.

**Payment Terms: 50% advanced payment | 30% payment on day of event | 20% payment on day of delivery**

No Photograph frame, USB, HDD or optional extras will be delivered until all payments due have been paid in full.

Payment may be made in cheque or bank transfer payable. Payment for additional attendance hours (part or whole) where agreed, but which may not be known accurately at the time of Contract signing, must be made at the post event delivery meeting.

### **Cooperation:**

We agree to work together happily and talk openly to get the best pictures possible. It's a good idea to have someone like the best man help the photographer by pointing out important people and organizing family pictures. Make sure to tell the photographer about important moments during the event, like throwing flowers or cutting the cake, so that we can be prepared.

Please note that not all guests at events or weddings like having their photo taken. In such cases the Photographer will use his discretion but cannot be held responsible for a lack of photos of these people.

### **The Schedule:**

We plan our schedule, how we work, and our experience to make sure we capture wonderful photos/videos that everyone enjoys. Both of us need to be on time and work together with a positive attitude to get the best outcome. If things run late, like if someone is very late, we might not be able to take all the usual photos/videos. But we will try our best to make up for it and still get great outcome.

### **Confirmation:**

This message confirms the Booking with '**VICKY CINE STUDIO**'. Any verbal communication DOES NOT guarantee a booking if the advance amount is not paid.
